About The College

Located in the serene coastal region of Konkan, N.K. Varadkar Arts & R.V. Belose Commerce College, Dapoli, has been a cornerstone of higher education for over 50 years. The resolution to establish the college was passed on 2nd November 1973, marking it as the Sankalp Din. The college officially began its academic journey on 5th June 1974.

Founded by Loknete Shri Ramchandra Belose (Dada), with the support of Adv. Barve, Adv. Khan, and Mr. Balsheth Talathi, the institution was established to provide quality and accessible education to rural students who otherwise had to migrate to Pune or Mumbai for higher studies. The spacious campus is well-equipped with modern facilities, including sports grounds, laboratories, a well-stocked library, and robust internet connectivity. The University of Mumbai-affiliated college offers B.A., B.Com., BMS, B.Sc. (IT), M.A., M.Com., and a PhD in Commerce, providing a solid academic foundation and career preparation.

The college's highly qualified faculty (Most with Ph.D., CA, and MBA qualifications) ensure quality education while also promoting extra-curricular engagement through cultural events, debates, and sports. The NSS and NCC units further develop students' leadership skills. In June 2024, the college earned a B+ grade from NAAC, reflecting its commitment to excellence. Under the leadership of Principal Dr. Bharat Karhad and IQAC Coordinator Dr. Ganesh Mangade, the institution continues to shape future leaders and thinkers.

Department of Commerce

Established in 1973, the Commerce Department has played a vital role in academic excellence. It offers B. Com, B. Com (Business Management), M.Com., and a Ph.D. in Commerce, preparing students for careers in business, finance, and management. The faculty members hold advanced degrees (Ph.D., CA, MBA) and focus on both theoretical and practical knowledge. The department actively promotes research initiatives, further strengthening its contribution to commerce education.

Department of Economics

Since 1973, the Economics Department has offered B.A. in Economics, providing a comprehensive understanding of economic theories, policies, and real-world applications. The faculty includes highly qualified professionals (Ph.D., M.A.) committed to quality education and research. Students gain critical thinking, analytical skills, and insight into national and international economic issues.

Infrastructure Facilities

Varadkar Belose College, Dapoli, offers comprehensive infrastructure to support academic excellence and student development. The college has spacious classrooms, a well-stocked library, computer and science laboratories, and a dedicated commerce lab for practical learning. The examination cell, career guidance and placement cell, and counselling centre provide essential academic and career support.

For extracurricular and sports activities, the college features a playground, gymnasium, NSS & NCC units, and an auditorium for seminars and cultural events. A hostel facility is available for outstation students.

The institution promotes digital learning with smart classrooms, high-speed Wi-Fi, and access to e-learning resources. Administrative efficiency is maintained through a well-organized Principal's office and administrative block.
